The big T. rex stomped.
He roared.

“Ha-ha!” the T. rex said. “I’m big and scary!”

Small animals ran.

The buddies watched them.

“Roar!” The T. rex chased lizards. One lizard was green. It was near a green bush.

The T. rex didn't see the lizard. "That's a clever lizard," Sara said. "Yeah!" Rex said.

A squirrel had babies.
She hid them.

Then the squirrel led the T. rex away. “That’s a brave squirrel,” Tor said.

“Hey, T. rex!” another squirrel yelled. “Get out of here!”

The buddies looked over.

Three squirrels threw pebbles. The pebbles hit the T. rex's foot. "Roar!"

The squirrels ran and hid.

The T. rex turned around.

The squirrels threw more pebbles.

“Good for them,” Sara said.
Sid nodded. “They’re small but brave!” Suddenly Sara had an idea.
